OUR TOBACCO IS IN DEMAND

We get daily email requests for SPC blends like:

"I have to have SPC tobacco shipped to my daughters home & re-sent to me. Is there any way to purchase SPC products?"

"We are interested in carrying your pipe tobacco. How do we set up to purchase wholesale?"

"I am very anxious to purchase some Seattle Pipe Club tobacco which you seem to be out of currently."

"Hey guys I live in Anacortes Washington and cannot find your blends in a store around here. And I can't buy online. Where can I get it?"

"I wanted to see if you guys are open to adding more retailers. Currently have 2 shops in the Nashville area and would love to stock the tobaccos in this market"

"Hello! I'm the manager of a tobacco retailer in Portland, OR. We have had many requests for your tobaccos, and I would like to know if there is a means to purchase them wholesale."

DECEPTION PXSS

"A rich VaPer ... that is not too spicy. I literally could smoke this all day every day for the rest of my life."

Try the newest taste of the Pacific Northwest - Deception Pass. This exquisite Virginia Perique blend is named after one of Seattle Pipe Club Master Blender Joe Lankford's favorite places to retreat and reflect. Deception Pass is a unique Northwest style VaPer, combining English Virginias with condiment tastes of Orientals, Perique, and black Cavendish. No bite with this Virginia and very satisfying room note. Big demand for Deception Pass right off the bat.

POILEXICH

"Maybe one of the richest most complex tobaccos I have ever smoked, it is rich, cool, robust, creamy, spicy, sweet. It is everything."

Named after the traditional Northwest Indian Celebration of Plenty. Sumptuous feasts and ritual ceremonies lasted weeks. Gifts were shared with many old and new friends. Potlatch is just such a gift of our pipe tobacco. Enjoy this lavish mixture of seven rare ingredients. There is plenty to celebrate in this great new offering. A swirling of earthy flavors passing through your senses and rising up to marry with the heavens.

"Delightful mild English. The pleasure grows as the ash thickens and the sweetness of the leaf develops. Excellent balance, packs great and smokes cool."

Sunset casts long shadows over the ferry boats of Puget Sound. A cup of good coffee and a fine pipe make this unhurried scene a memory. Master Blender Joe Lankford created Seattle Evening to share our Northwest experience. Rich, smoky, spicy, luxurious. When the sun sets and the bowl is done, don't despair. There will be another Seattle Evening tomorrow. Everyone enjoys this original mixture.

MISSISSIPPI RIVER

The #1 best selling small batch pipe tobacco in America

Mississippi River actually appeared to Master Blender Joe Lankford in a dream. Awakened from a sound sleep he grabbed a pencil and scribbled a recipe before the memory faded. The next morning he used those notes to create a Virginia blend like no other. Mississippi River was born. The rest is history in a tin. Enjoy the rich Virginias pressed in cakes with oriental leaf, a pinch of Latakia and Perique.
